Putting the methodology into practice

Reminder of the format and objectives
Analysing the document
Tips for the mock exam

Mock exam

40 minutes
(in the language of your choice among the 24 official
EU languages)

Collective correction

Analysing the assignment
Correction proposal
Final tips and recommendations

Prerequisite: B1 level in the language in which the training is delivered

Teaching methods : Interactive presentation with exercises

Technical setup: Trainers have access to shared training materials.

An Internet connection and suitable computer equipment are required to attend our remote training sessions.

Training Objectives:

- Understand the methodological requirements of the written test in EU competitions
- Practice structuring a clear, relevant, and well-argued written response within a limited time
- Assess your skills and identify areas for improvement through a mock exam under real conditions
- Receive individualised feedback to fine-tune your preparation and enhance your performance (upon request, after the session).

Assessment Methods:

- Satisfaction survey at the end of the training
- Feedback survey after the competition.
